UNIVERSITY OF HAWAI‘I ARTICULATION AGREEMENT
LEEWARD COMMUNITY COLLEGE AND THE
UNIVERSITY OF HAWAI‘I - WEST O‘AHU

Associate in Science in Accounting
Bachelor of Arts in Business Administration

The purpose of this Articulation Agreement is to facilitate the transfer of Associate in Science (AS) in Accounting students at Leeward Community College (LCC) to the University of Hawai‘i-West O‘ahu (UHWO). Students who complete the AS degree in Accounting under the terms of this agreement may transfer as classified students to the UHWO’s Bachelor of Arts (BA) in Business Administration with a Concentration in either General Business Administration or Accounting. Existing requirements for both the AS degree and the BA degree are provided as attachments, and form the basis for this agreement. Subsequent changes to the curricular requirements of either program may require revisions to this agreement.

Students who complete the Associate in Science in Accounting at Leeward Community College according to the 2007-2008 LCC Catalog may be eligible for admission to the University of Hawai‘i-West O‘ahu. However, in order to maximize the number of credits that will meet the Bachelor of Arts in Business Administration requirements, students interested in pursuing this program should complete the University of Hawai‘i-West O‘ahu articulation option.

This agreement is effective beginning Fall 2007 through Spring 2009, and is based on UHWO’s General Education and Focus requirements in effect through the Spring 2007 semester. Subsequent renewal of this articulation will include UHWO’s General Education and focus requirements in effect beginning Fall 2009.

The University of Hawai‘i-West O‘ahu agrees to allow students who have completed the AS in Accounting degree at Leeward Community College under the University of Hawai‘i-West O‘ahu articulation to complete UHWO’s general education requirements with upper-division courses as follows:

- Six upper-division credits from the Humanities, which if necessary, includes HUM 310 Writing Skills. Students are responsible for taking the UHWO’s Writing Assessment Exam to determine if HUM 310 is required as part of their University requirements.
- Three upper-division Social Sciences credits taken from the areas of Anthropology, Economics, Political Science, Psychology, Sociology or Social Sciences.
- BUSA 320 Statistics for Decision-Making will be used to satisfy three credits in UHWO’s Mathematics/Natural Sciences general education requirements.
Leeward Community College agrees to require that AS in Accounting students complete coursework as follows:

- BUS 101 Business Computer Systems (not BUSN 136 and BUSN 137)
- ECON 130 Principles of Microeconomics and ECON 131 Principles of Macroeconomics (not ECON 120 Introduction to Economics)
- MATH 103 College Algebra or MATH 115 Statistics
- Math or Natural Sciences elective (excluding coursework designated AG, CE, EE, ICS, HLTH, and ME)
- Art and Humanities electives will be restricted to courses designated diversification arts (DA) or diversification humanities (DH) in the LCC catalog.

A minimum of 45 upper-division credits must be completed as part of the Bachelor of Arts degree requirements, with a minimum of 30 credits in residence with UHWO. A minimum of 120 credits is required to earn the Bachelor of Arts degree.

In order to facilitate the transfer of students, Leeward Community College agrees to identify the AS in Accounting students who have completed, or are in the process of completing the University of Hawai‘i-West O‘ahu articulation option by submitting a letter of notification signed by a counselor or faculty advisor, to the University of Hawai‘i-West O‘ahu Student Services Office.

This Articulation Agreement will remain in effect until May 2009. It will be subject to review in Spring 2009, and may be continued, revised or discontinued with the consent of both parties. If both parties consent to the termination of this Articulation, Leeward Community College students who have entered the AS in Accounting by Spring 2009 will have the option of transferring to UH West O‘ahu to fulfill the Business Administration Articulation Option Requirements.
