TaB (Technology & Business) Student Club presents:

Talk Story with Garret Yoshimi CIO of UH System

October 2 (Fri) 1 pm – 2:15 pm, Classroom D150

Technologies we should be learning for the future job market

Garret Yoshimi joined the UH in January 2015 as the vice president for information technology and chief information officer (VPIT/CIO) of the University of Hawaii System. He has more than 35 years of experience in IT in both the public and private sector in Hawaii.

UH President David Lassner said, "Garret is an outstanding IT leader and I am very pleased that he has agreed to join our team. His broad IT experience, understanding of higher education issues and vision for the future will be instrumental in moving the university and state forward."
