# Lamakū Learning Pathways

Welina Mai (Welcome)! This document highlights various resources and professional development offerings available for varied skill levels and experience.

Specific resources, virtual events, and/or Lamakū Instructor Essentials course topics have been grouped into the Core, Plus, and Power categories for you to explore. You can also access the pathways in alternative formats (infographic and Miro board).

Note: Resources and offerings continue to be created on an ongoing basis. For Plus and Power categories, users will begin transitioning to more customized services, such as personalized ID consultations or attending Lamakū Support Sessions to address open-ended support.

Lamakū Support is Available!

	Lamakū Instructor Essentials Course (asynchronous) This [online, self-paced course](https://go.hawaii.edu/bGm) (https://go.hawaii.edu/bGm) serves as a one-stop shop to assist with migrating, managing, delivering, and assessing course content in Lamakū. While this course is not exhaustive, it aims to serve as a quick reference guide for mastering the basics of Lamakū. Note that this course will continually be updated with additional topics and information.
	Lamakū Course Starter Templates The Lamakū templates for 5-, 6-, 8-, and 16-week formats are course sites pre-populated with consistent navigation, visual design, and templatized placeholder content aligned with online standards, including researched instructional design best practices. The purpose of the Course Starter Templates are to support instructors with efficient and high-quality course

	development and to afford learners intuitively navigable learning environments in Lamakū.
Lamakū Discovery Series	**Lamakū Discovery Series (synchronous)** This series focuses on essential features of Lamakū. Topics follow the flow of building a course such as content development, activity and assessment, and gradebook setup. Each session is themed and includes both demonstration and "discovery" (exploration) time. ● [Access Fall 2024 archived series recordings and resources](https://go.hawaii.edu/4pF) (https://go.hawaii.edu/4pF) ● Spring 2025 series information and registration coming soon!
Lamakū Support Sessions	**Lamakū Support Sessions (synchronous)** The support sessions provide dedicated time and space for participants to gain up-to-date information and seek support from instructional designers (and each other) as we collectively explore and work in Lamakū. ● [Access Fall 2024 archived resources](https://go.hawaii.edu/bG5) (presentations and Q&A) (https://go.hawaii.edu/bG5) ● Spring 2025 session information and registration coming soon!
Knowledge Base: Lamakū Tutorials and Resources	**Lamakū Resources & Tutorials** [The Knowledge Base: Lamaku Tutorials and Resources](https://go.hawaii.edu/FZd) (https://go.hawaii.edu/FZd) provides a list of tutorials and resources to assist users with Lamakū. This page includes information on getting started, copying components from one course to another, and utilizing HTML document templates. This will continue to grow as more Lamakū resources are made available.

Need Lamakū Help?

Technical Support	Instructional Design Support	General Lamakū Information & Inquiries
For technical questions and support, contact the [UH Information Technology Services Help Desk](https://www.hawaii.edu/its/help-desk/) (https://www.hawaii.edu/its/help-desk/) by email at help@hawaii.edu or call 956-8883 (toll-free at 1-800-558-2669 from the neighbor islands).	[UH System and campus-specific instructional designers](https://go.hawaii.edu/Yjb) (https://go.hawaii.edu/Yjb) are available to provide support as instructors design, develop, or improve upon their courses.	Email uhdl@hawaii.edu for general Lamakū questions regarding migration, enrollment support, etc.

CORE pathway

Are you new to Lamaku and need foundational skills to set up a basic course? Here are some resources to get you started.
