

ODOR POLICY

PURPOSE

The mission of the James and Abigail Campbell Library at the University of Hawai'i - West O'ahu (UHWO) is to provide excellent, user-centered service in meeting the information needs of students, faculty and staff. Our goal is to provide users with access to knowledge and to maintain a comfortable and safe learning environment.

We do our best to ensure that everyone's visit to the Library is a productive and pleasant experience. This policy was designed to ensure that a user's strong odors (e.g. perfumes, food, unsanitary personal conditions, etc.) do not unreasonably interfere with others' ability to use the Library and its facilities.

POLICIES AND GUIDELINES

The following policies and guidelines shall govern the use of the Library for all users:

- [James and Abigail Campbell Library's Acceptable Use Policy](#)

BODILY ODOR

- If the move does not alleviate the situation, or there is no opportunity to move to a different location, the patron will be asked to leave the Library and encouraged to improve the situation before returning.

FOOD ODOR

- Upon the complaint of another user, the offending user will be asked to remove the food item from the building.
