

University of Hawai'i - West O'ahu Student Code of Conduct

PREAMBLE

University of Hawai'i - West O'ahu ("UH West O'ahu") exists so that the people it serves have access to learning and enrichment opportunities to improve their quality of life and their standard of living. UH West O'ahu supports a positive educational environment that will benefit student success. In order to ensure this vision, UH West O'ahu has established guidelines for the redress of grievances by individuals accused of prohibited conduct in such proceedings. In addition, UH West O'ahu has established a Student Code of Conduct ("Student Conduct" or "Student Code") to ensure the protection of student rights and the health and safety of the UH West O'ahu community, as well as to support the efficient operation of UH West O'ahu programs.

In cases where a UH West O'ahu student is found responsible for a violation of the UH West O'ahu Student Code of Conduct, UH West O'ahu will impose discipline that is consistent with the impact of the offense to the UH West O'ahu community (See Article IV(B) "Sanctions" below). UH West O'ahu reserves the right to pursue criminal and/or civil action where warranted. The Student Code of Conduct shall apply from the time of admission to UH West O'ahu and continue as long as the student remains enrolled at UH West O'ahu or declares UH West O'ahu as their home campus. The Student Code of Conduct shall also be applicable to a student's conduct even if the student withdraws from UH West O'ahu after a report has been submitted for review of an alleged violation of the Student Code of Conduct.

If an individual has violated the Student Code of Conduct on UH West O'ahu property while not enrolled as a student at UH West O'ahu, but then later seeks to enroll, he or she must first contact the Vice Chancellor of Student Affairs (VCSA) (or his or her designee). The same Due Process procedures listed in Article IV below will be followed to determine an admission decision..

EP 1.204: Sex and Gender Based Misconduct Policy definition — is unreasonable pressure for sexual activity. Coercive conduct differs from seductive conduct based on factors such as the type and/or extent of the pressure used to obtain consent. When someone makes clear that they do not want to engage in certain sexual activity, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point may be coercive.⁵

- F. “Consent” means knowing, and voluntary, and clear permission by word or action to engage in sexual activity.

A person cannot give Consent if the person is under the age of consent⁶ for sexual activity, the person is developmentally or intellectually disabled, or the person is mentally incapacitated or physically helpless.

Lack of protest or resistance cannot be interpreted as Consent. Silence cannot be interpreted as Consent. Consent must be ongoing throughout any sexual activity and can be revoked at any time.

The existence of a dating relationship, domestic partnership or marriage between the persons involved, or the existence of past sexual relations between the persons involved, is never by itself an indicator of Consent.⁷

- G. “Cyberbullying” means electronically transmitted acts, i.e., internet, cell phone, personal digital assistant (PDA), or wireless hand-held device that a student has exhibited towards another student or employee of the department, either on or off-campus, that hurts, harms, or humiliates the student or employee physically or emotionally; and is sufficiently severe, persistent, or pervasive, or created an intimidating, threatening, or abusive educational environment for the other student(s). This also includes intentional harm or controlling another person physically or emotionally, and are not protected by freedom of expression.⁸

Electronic transmissions include but are not limited to the use of data, computer software that is accessed through a computer, a computer network devices that display email, text messaging, blogs, photos, drawings, video clips, on-line community websites, social media, or faxes, or a combination of the foregoing.⁹

- H. “Dating Violence is violence committed by a person, who is in or has been in a social relationship of a romantic or intimate nature with the Complainant.

⁶ In Hawaii, the age of consent is sixteen (16) generally, or the age of consent is between fourteen (14) and fifteen (15) when either the other person is less than (5) years older or when the other person is legally married to the person between the ages of fourteen (14) and fifteen (15). See Haw. Rev. Stat. § 707-732.

⁷ University of Hawaii Executive Policy on Sex and Gender Based Misconduct Policy EP 1.204, II.G (Dated 2/1/23).

⁸ This definition combines language from Hawaii Department of Education’s Policy 8-19-2 and University of Hawaii Interim Executive Policy EP 7.208, IV.B.3.c (Dated 6/23/25).

⁹ Hawaii Department of Education’s Policy 8-19-2.

The existence of such a relationship shall be determined based on the Complainant's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition:

- a. Dating violence included, but is not limited to, sexual or physical abuse or the threat of such abuse.
 - b. Dating violence does not include acts covered under the definition of domestic violence.¹⁰
- I. "Discrimination" is any distinction, preference, or adverse treatment of an individual when based on a person's protected category that is sufficiently serious to unreasonably interfere with or limit:
- a. A student's or admission applicant's ability to participate in, access, or benefit from educational programs, services, or activities (e.g. admission, academic standing, grades, assignment, campus housing);
 - b. An employee's or applicant's access to employment, consideration of, or conditions and benefits of employment (e.g., hiring, advancement, assignment);

Examples of Discrimination based on a Protected Category:¹²

- Refusal to consider an accommodation request or to implement a reasonable accommodation for individuals with disabilities or a person's sincerely held religious beliefs or practices.
- Disparate or unequal treatment, including preferential treatment on the basis of a protected category.
- Denial of a person's equal opportunity to participate in a University program, activity, or service on the basis of a protected category.

- J. "Discriminatory Harassment" is unwelcome conduct based on a protected category when:

¹¹ University of Hawai'i Executive Policy EP 1.202, III.C.1.a-d (Dated 2/1/23).

¹² This list is meant to be illustrative and not exhaustive, and the conduct must be sufficiently serious to unreasonably interfere with or limit a person's ability to participate in an education activity to meet the definition of Discrimination.

- a. Submission to or rejection of the conduct is either an explicit or implicit term or condition of an individual's employment, education, or participation in a University program, activity, or service;
- b. Submission to or rejection of the conduct by an individual is used as a basis in decisions affecting that individual's employment, education, or participation in a University program, activity, or service; and/or,
- c. When such conduct is unwelcome to the person to whom it is directed or to others directly aware of it and when such conduct is:
 1. Severe, persistent, or pervasive; and
 2. Has the purpose or effect of either:
 - a. Unreasonably interfering with the student's academic performance or the employee's work performance, or
 - b. Creating an intimidating, hostile, or offensive work or educational environment.

The conduct must be both objectively and subjectively offensive. That is, the Complainant must view the conduct as offensive, and a reasonable person must also view the conduct as offensive. "Reasonable person" means a reasonable person under similar circumstances and with similar identities to the Complainant (e.g., age, race, religion). Petty slights, annoyances, and isolated incidents (unless extremely serious) will not rise to the level of discriminatory harassment.¹³

Examples of Discriminatory Harassment Based on a Protected Category if unwelcome and persistent, pervasive, or severe.¹⁴

- Racial slurs, racial epithets, or name-calling.
- Insults, put-downs, or mockery of a person's disability.
- Unwelcome or inappropriate physical contact.
- Offensive remarks about a person's race, color, age, disability, pregnancy, breastfeeding, national origin, religion or other protected category.

¹³ University of Hawai'i Executive Policy EP 1.202, III.C.2.a-c.1-2.a-b (Dated 2/1/23).

K. “Domestic Violence is violence committed by a current or former spouse or intimate partner of the Complainant, by a person with whom the Complainant shares a child in common, or by a person who is cohabitating with, or has cohabitated with, the Complainant as a spouse or intimate partner, or by a person similarly situated to a spouse of the Complainant under the domestic or family violence laws of Hawai‘i, or by any other person against an adult or youth Complainant who is protected from that person’s acts under the domestic or family violence laws of Hawai‘i.¹⁵

M. “Force” means physical contact, violence, threat, intimidation, or coercion.

The use of physical violence and/or physical imposition to gain sexual access. Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent. Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Silence or the absence of resistance alone is not consent. Consent is not demonstrated by the absence of resistance. While resistance is not required or necessary, it is a clear demonstration of nonconsent.¹⁶

N. “Harassment” means conduct that is sufficiently severe, pervasive, and objectively offensive that it unreasonably interferes with a person’s UH West O'ahu employment, academic performance or participation in UH West O'ahu programs or activities **and** creates a working, learning, program or activity environment that a reasonable person would find intimidating, hostile or offensive. The conduct does not have to be threatening and may include deliberate and persistent communication that unreasonably disturbs the recipient.¹⁷

O. “Hazing” an intentional, knowing, or reckless act committed by a person, whether individually or in concert with other persons, against a student, regardless of that student’s willingness to participate, that:

- a. was committed in connection with an initiation into, an affiliation with, or the maintenance of membership in, an organization (such as a club, society, association, athletic team, fraternity, sorority, or student government); and

Q. “Incapacitation” (or “incapacitated”) occurs when someone cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, or how” of their sexual interaction). Incapacitation is determined through consideration of all relevant indicators of an individual's state and is not synonymous with intoxication, impairment, blackout, and/or being drunk. Incapacitation also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating drugs. A person cannot consent if they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious, for any reason, including by alcohol or

- Y. “Respondent,” or “Responding Party” means a UH West O'ahu student who is currently taking courses at UH West O'ahu, either full or part-time, pursuing undergraduate or graduate studies, against whom a report has been filed alleging a violation of the Student Code of Conduct. ARTICLE II: STUDENT CODE AUTHORITY

- A. VCSA has the ultimate oversight and authority over the Student Code of Conduct process.
- B. For the purposes of this UH West O'ahu Student Code of Conduct process, the VCSA has designated the Student Conduct Officer (SCO) as the official designee who shall be authorized to render decisions and sanctions, assign cases to other trained SCOs, and/or make determinations as to whether or not a case may be administratively resolved in accordance with this process.
- C. The SCO shall develop processes and procedural rules for the consistent administration of the UH West O'ahu Student Code of Conduct.
- D. Decisions made by the SCO shall be final, pending the appropriate appeal process.

ARTICLE III: PROSCRIBED CONDUCT

A. Jurisdiction

The UH West O'ahu Student Code of Conduct shall apply to conduct that occurs on UH West O'ahu's premises, at UH West O'ahu sponsored activities, and to off-campus conduct that adversely affects the UH West O'ahu community and/or the pursuit of its objectives. Each student shall be responsible for his/her conduct and the conduct of his/her guests, from the time of application for admission through the actual awarding of a degree, even though the conduct may occur before classes begin or after classes end. Additionally, students are responsible for conduct that occurs during the academic year as well as during periods between terms of actual enrollment (even if their conduct is not discovered until after a degree is awarded).

The Student Code of Conduct shall apply to a student's conduct even if the student withdraws from classes at UH West O'ahu after a report was submitted or while a disciplinary matter is pending. The SCO shall decide whether the Student Code of Conduct shall be applied to conduct occurring off-campus (including but not limited to the use of social media and other electronic forums) on a case by case basis, in his or her sole discretion.

The Student Code of Conduct applies at all UH West O'ahu locations, and may also apply to any other ancillary educational locations, including, but not limited to: practicum, lab, or internship sites, when applicable and/or related to UH West O'ahu coursework. This Student Code of Conduct also applies to all current UH West O'ahu students regardless of the geographical location of their courses, for example, online or other University of Hawai'i campuses (if UH West O'ahu is designated as their home campus).

B. Prohibited Conduct

Any student found to have committed (or to have attempted to commit) any of the following misconduct is subject to the disciplinary sanctions outlined in Article IV:

1. Acts of dishonesty, including but not limited to the following:
 - a. Cheating (as defined in Article I(D)), plagiarism (as defined in Article I(U)), academic negligence (as defined in Article I(A)), and any other forms of academic dishonesty.
 - b. Misrepresentation of facts or furnishing false information to any UH West O'ahu official, faculty member, staff, or office. This provision can include but is not limited to grades, documents, records, or instruments of identification.
 - c. Forgery, alteration, or misuse of any UH West O'ahu document, record, or instrument of identification.
 - d. Financial Aid fraud or corresponding behaviors that would allow a student to receive a monetary benefit for which they are not eligible.
2. Disruption or obstruction of teaching, research, administration, disciplinary proceedings, other UH West O'ahu activities, including its public service functions on or off-campus, or of other authorized non-UH West O'ahu activities when the conduct occurs on UH West O'ahu premises. This includes creating noise or other disturbances on campus or in student life areas sufficient to disrupt the normal functioning of campus activities including classroom instructions.
3. Abuse that is physical or psychological in nature. This includes actual physical abuse (as defined in Article I(T)) or assaults (as defined in Article I(B)), threats (as defined in Article I(MM)) of physical harm or threatening behavior that would cause fear in a reasonable person, intimidation (as defined in Article I(R)), harassment (as defined in Article I(N)), coercion (as defined in Article I(E)), bullying/cyberbullying (as defined in Article I(C) and I(G)), stalking (as defined in Article I(HH)), Verbal abuse (as defined in Article I(SS)), hostile environment (as defined in Article I(P)), and/or any other conduct which threatens or endangers the health or safety of any person (including, but not limited to, messages sent via text messages, emails, on social media networks, or any electronic format including phone, etc.).

Retaliation (as defined in Article I(Z)) against any person submitting a report of any alleged violation of this Student Code of Conduct or against any person cooperating in the fact-finding (including participating with the investigation as a witness, etc.) of any alleged violation of this Student Code of Conduct. For these purposes, retaliation includes, but is not limited to: physical abuse, intimidation, threats, coercion, harassment, or other adverse action whether threatened or taken against any Complainant or third party that dissuades a reasonable person from

making or supporting a complaint under this policy. Retaliation also includes discrimination against any individual for the purpose of interfering with any right or privilege secured by law or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation or proceeding under this policy. The University of Hawaii - West O'ahu prohibits and will not tolerate retaliation as defined in the *UH System Executive Policy EP 7.205 III(H)*.

Acts of alleged retaliation should be reported immediately for appropriate action. A retaliation complaint, allegation, or report will be reviewed as a separate offense under this policy; that is, a student can be found responsible for retaliation even if not found to be responsible for the underlying reported Student Conduct Code violation.

 - a. Sexual Harassment (as defined in Article I(FF)).
 - b. Sexual Assault (as defined in Article I(DD)).

19. Violation of local, state, federal or campus fire policies including, but not limited to:

23. Failure to engage in responsible social conduct that reflects credit upon the UH West O'ahu community and failing to model good citizenship.

C. Violation of Law and UH West O'ahu Discipline

1. UH West O'ahu disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Code of Conduct (that is if both possible violations result from the same factual situation) without regard to the status of any civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus at the discretion of the VCSA (or his or her designee). Determinations made or sanctions imposed under this Student Code of Conduct shall not be subject to change because criminal charges arising from the same factual circumstances as the alleged UH West O'ahu code violation were dismissed, reduced, or resolved in favor of or against the Respondent/Defendant.
2. When a student is charged by federal, state, or local authorities with a violation of the law, UH West O'ahu will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the Student Code of Conduct, UH West O'ahu may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters are typically handled within the UH West O'ahu community. UH West O'ahu will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). UH West O'ahu will comply with the Family Educational Rights and Privacy Act (FERPA). Individual students and other members of the UH West O'ahu community acting in their personal capacities remain free to interact with governmental representatives as they deem appropriate.

D. Amnesty

1. It is the policy of the University of Hawai'i System to provide amnesty for students under certain conditions as outlined below.

⁵⁵ Hawaii Public Act 160 of 2018. Note: *As of November 15, 2018, no guidance has been provided to campuses on the suggested implementation and enforcement of the law on campus properties. Therefore, students who are caught smoking tobacco or using an electronic smoking device on any UH West O'ahu property will only be given a verbal warning only; reports will not be formally recorded by the SCO.*

2. Amnesty for Good Faith Reporting of Misconduct

UH West O'ahu recognizes that a student who has been drinking and/or using drugs and is then either a victim of violence, including but not limited to domestic violence, dating violence, stalking, and sexual assault, or observes a violation of UH West O'ahu Student Code of Conduct, may be hesitant to report the incident due to fear of being punished for their own conduct. UH West O'ahu strongly encourages students to report all incidents of misconduct. A student, including a student bystander, acting in good faith to report any incident of misconduct to UH West O'ahu officials or to police will not be subject to the Student Code of Conduct for their own violations occurring at or near the time of the incident being reported.

3. Medical Amnesty

Students who seek emergency medical attention for themselves, or for someone else, related to consumption of drugs or alcohol will not be charged with violations of the Student Code of Conduct related to that consumption, provided that the student subsequently completes an evaluation and any recommended treatment, as determined by the relevant Student Code of Conduct authority. Failure to complete this evaluation and any recommended treatment may result in charges being filed under the Student Code of Conduct.

4. Exceptions to Amnesty

a. Amnesty does not apply to students who are in violation of UH West O'ahu's alcohol and drug policies, and who come into contact with law enforcement, faculty, administrative staff, residence hall staff, or other UH West O'ahu employees when such contact is initiated by law enforcement, faculty, administrative staff, residence hall staff, or other UH West O'ahu employees.

b. Amnesty is not intended to shield or protect students that repeatedly violate the Student Code of Conduct or that endanger the health and safety of others. In cases where egregious or repeated violations of the Student Code of Conduct occur, UH West O'ahu reserves the right to take judicial action on a case-by-case basis regardless of the manner in which the incident was reported.

ARTICLE IV: STUDENT CONDUCT PROCESS (DUE PROCESS)

A. Charges and Student Conduct Officer Meetings

1. The SCO will be responsible for training and assigning Student Code of Conduct cases to appropriate SCOs when necessary.

2. Anyone may file a report against a student for (an) alleged violation(s) of the Student Code of Conduct. All students accused of violating this Student Code of Conduct are entitled to due process, which includes a written notification of the alleged violation, and a reasonable opportunity to respond and provide evidence and/or witnesses to be considered prior to any final decision.
3. An allegation of a Student Code of Conduct violation must be directed to the SCO using the [online reporting form](#). Any report of a violation of the Student Code of Conduct should be submitted as soon as possible after the event takes place. However, all reports will be reviewed in accordance with this process, regardless of when the report is filed.
4. The SCO will conduct an impartial and reliable preliminary fact-finding investigation of all allegations to determine if the allegation(s) have merit or not, and/or if they can be resolved administratively. Such disposition shall be final and there shall be no subsequent proceedings.
5. If it is determined that the allegation(s) has/have no merit, the report will be considered closed and dismissed. The SCO may request a non mandatory meeting with the Respondent to discuss the information stated in the report. This meeting will be scheduled at the discretion of the SCO.
6. If it is determined that the allegation(s) has/have merit, the Respondent will receive an official notification via email from the Maxient System, indicating that (an) alleged violation(s) has/have been reported. All official correspondence regarding the Student Code of Conduct process will be communicated to the Respondent through their official UH West O'ahu email account.
7. In the official written notification, the Respondent shall be provided the following:
 - a. How the alleged violation(s) came to the attention of UH West O'ahu;
 - b. A detailed written summary of the allegation(s) so that the Respondent may properly prepare for his or her meeting or response to the allegation(s);
 - c. The Respondent will be directed to either schedule an appointment with the SCO or submit a written statement to the SCO.
 - d. A reasonable opportunity for the Respondent to provide their statement, as well as the names of any relevant witness(es) for consideration by the SCO.
8. If the Respondent schedules an appointment, the SCO reviews the facts concerning the alleged violation(s) to determine whether the Respondent will be

formally charged with (a) violation(s) under the Student Code of Conduct, after the SCO meeting.

The Respondent must provide a picture ID to confirm the proper identity of the Respondent (if unknown by the SCO) within the required response period. If the Respondent fails to provide a copy of their identification prior to the start of the meeting, the meeting may be rescheduled at the discretion of the SCO.

Other arrangements may be made to facilitate the meeting, such as video or phone conference, when a face to face meeting may be difficult for the Respondent and at the sole discretion of the SCO. In situations where a meeting other than a face to face meeting will be held, the student must provide a copy of their identification to the SCO before the meeting can occur. A face to face meeting is always the preferred option.

9. The SCO meeting will be scheduled at the convenience of the SCO, however, all efforts will be made to schedule the meeting as soon as possible (considering the student's on-campus schedule).
10. If the Respondent is unable or chooses not to meet with the SCO in person, the Respondent may submit a written statement (via their UH West O'ahu email account or in-person) responding to the allegation(s) for consideration. The SCO will review the facts concerning the alleged violation(s) to determine whether the Respondent will be formally charged with (a) violation(s) under the Student Code of Conduct. The Respondent must provide a picture ID to confirm the proper identity of the Respondent (if unknown by the SCO) within the required response period.
11. If the Respondent fails to contact the Student Conduct Officer (SCO), fails to schedule an appointment, or fails to submit a written statement within five (5) working days from the date indicated on the official written notification (excluding Saturdays, Sundays, and holidays), a hold will be placed on the Respondent's student record. This hold may result in the Respondent's inability to register and/or delay other institutional transactions until the Respondent responds to the notification. In such cases, the SCO will proceed with a determination based on the information available at that time. In addition, the Respondent shall be considered to have "waived" his or her right to appeal based on bias only (see Article IV(D)(4)(a-c) for details), and the decision of the SCO will be considered final.
12. If, after receiving notice, a Respondent elects not to appear or provide a written statement (in lieu of an appearance) to an SCO prior to the SCO meeting, the SCO shall render a determination using information that has been provided. In addition, the Respondent shall be considered to have "waived" his or her right to appeal based on bias only (see Article IV(D)(4)(a-c) for details), and the decision of the SCO will be considered final.

13. If either party requests an alternate form of resolution and the other party agrees, the parties will engage in an informal resolution to informally resolve the issue. If the informal resolution results in a mutual satisfaction of both parties, then the case will be considered resolved. If the case is not resolved, then the case may be moved to a formal resolution by the SCO.

Informal resolution is available for cases involving both Sex and Gender Based Misconduct⁵⁶ [Article III(B)(4)(a-i)] and Discrimination⁵⁷ [Article III(B)(5)] only if a formal complaint has been filed and both parties agree to informally resolve the complaint.

14. During the SCO meeting, the Respondent will meet one on one with the SCO and must provide a picture ID to confirm the proper identity of the Respondent (if unknown by the SCO). Representatives, parents or authorized campus personnel will only be allowed in this meeting at the discretion of the SCO when deemed appropriate. In addition, a FERPA release must be signed by the Respondent.
15. There shall be a single verbatim record of all SCO meetings. The digital recording⁵⁸ shall be the property of UH West O'ahu. For the purposes of FERPA, the recording is considered an educational record and cannot be reviewed unless a release is signed by all students with identifiable information contained in the recording. A student involved in the recording may request an opportunity to review the recording (in the presence of an authorized employee) only if the meeting involved one student without discussion of any witnesses (on the recording), and the student on the recording is the individual requesting the review.
16. SCO meetings shall be conducted using the following guidelines below except as provided by Article IV(A)(25):
 - a. All SCO meetings shall be conducted in private. In cases involving Sex and Gender Based Misconduct and any discrimination, UH West O'ahu recognizes the importance of confidentiality and will make every effort to preserve the privacy of all parties to the extent possible or as required by law. [Please refer to the University of Hawaii Executive Policy [EP 1.204](#) and [EP 1.202](#)].
