Choosing how you are going to fund your college education is a big decision. There are many options available and UH West O’ahu is committed to providing you with a quality educational experience at an exceptional value.

The FAFSA (Free Application for Federal Student Aid) is the main tool we use to help you access funding for your education. Financial assistance can come in the form of grants, loans, work-study, scholarships and institutional aid based on need. Students are encouraged to submit a FAFSA application so that their financial aid eligibility can be determined. Completed applications will be considered for financial aid awards. To apply for financial aid you must be a US citizen, US national or eligible noncitizen.

Priority FAFSA Application Deadline
