Welcome students of the University of Hawai‘i–West O‘ahu! It is an honor and privilege to be your chancellor; this is a kuleana, or responsibility, to which I am fully committed.

As you will soon discover when you join our ‘ohana, UH West O‘ahu prepares 21st century leaders – career creators – through integrated, transdisciplinary programs where learners and teachers discover, innovate, and engage diverse communities to create a vibrant and just world.

This campus respects diverse perspectives, lifestyles, and culture, and values its students as important members of the campus community. I ask that you pūpūkahi i holomua (unite to move forward) as we work together in a productive, positive manner with respect for one another. Let’s together build a kahua, or foundation, that strengthens our educational pathway for the communities and families in Honouliuli, for this generation, the next one, and the one after that.

E ‘Eleu mai Kākou! Step-up Together! Let’s Go!

First-Year SOAR
Student Orientation, Advising & Registration
westoahu.hawaii.edu/accepted

Whether you’re the first in your family to attend college, attending college after working or serving, or if you’ve had experiences with early college, determining what’s part of the collegial experience of UH West O’ahu may be unclear and overwhelming. In order to ensure that you start off on the right foot, we provide several experiences to ease the transition to becoming a successful college student.

The SOAR (Student Orientation, Advising and Registration) experience is broken into three parts: online videos in May and June, Freshman Advising in July, and concluding with La Pūnua Day in August, all of which helps to build a strong foundation in your first year at UH West O’ahu.

To register for Freshman Orientation, you must:

- Submit the Intent to Enroll Form
- Submit Health Clearance documents
- Complete the placement tests, if you do not have the minimum ACT/SAT score.
  (see Placement Testing information on page 8)

‘Ohana Orientation

We encourage parents or any supportive family members to attend an ‘Ohana Orientation. The program is designed to help parents and family members become familiar with UH West O’ahu’s resources, policies and procedures, and the adjustments new students face during their college experience. During orientation, parents and family members have the opportunity to meet with administrators, faculty, current students and other family members. All ‘Ohana Orientations will be offered on the same day and time as the First-Year Orientation sessions.

“The feeling I had from my first step on campus and the connections I made with everyone at orientation helped me to confirm my decision that this was the school that was the right fit for me. I haven’t regretted it since.”

To learn more about Orientation and New Student Programs visit westoahu.hawaii.edu/nsp.
PUEO Leadership Program

The PUEO (Peer Undergraduate Engagement and Orientation) Leadership program is UH West O’ahu’s way of helping new first-year students adjust to the social, personal, and academic aspects of college life.

PUEO leaders are student ambassadors that are experienced, positive, and helpful students who were once first-year students, just like you! They know “the ropes” and can help you get the most out of your college experience. You’ll be connected to a small group of first-year students and have your own PUEO leader who will support and encourage you throughout your first year.

“The PUEO Leadership Program has really helped me through my freshman year at UHWO. Through the program, I was able to meet new people and build great relationships. Now, being a PUEO Leader myself, I have really learned a lot about the campus and have continued growing my relationships with my friends and faculty. Along with being a part of the program, I have grown personally and learned a lot about what I planned to do for the future.”

Placement Testing
westoahu.hawaii.edu/noeaucenter/testing

At UH West O’ahu, we use the test scores from your ACT, SAT, AP or Smarter Balanced exam scores to determine placement in Math and English courses. Your scores are valid for two years. If you do not have the minimum score required or if your scores have expired, the Accuplacer test is used to determine your placement in Math. If you would like course placement into the 3 credit English 100 course, the Authentic Assessment may be used to challenge your automatic placement into the 5 credit English 100T. Your scores are important and will determine which classes you are eligible to register for this semester. Most importantly, your placement exam will help us determine which classes you will be most successful in completing.

The Accuplacer is

- An automated assessment program that allows you to see your scores immediately.
- Not timed, however, allow approximately 1 hour.
- First time free. Re-test costs $25 with no waiting period.

The Authentic Assessment is

- Used to challenge automatic placement into English 100T.
- Administered by English faculty.
- Timed and will take approximately 1 week to determine course eligibility.
- English placement will be in English 100T or English 100.

Testing Dates

- Accuplacer is offered Monday thru Friday during Testing Center operating hours.
- Authentic Assessment is offered once a semester and once a month during the Summer.
- Contact the Testing Center to set up your test appointment.

Additional Information

Student Identification Card
Once all financial obligations are arranged you can obtain your student ID card at the Office of Enrollment Services. This card entitles you to University privileges and benefits including access to the computer lab, the library and software discounts at the bookstore. Student IDs must be validated every semester. Students will receive their ID when they attend Lā Pānua.

Email Account
hawaii.edu/google
When you activate your MyUH account, you will also be given a hawaii.edu email account. This account will be the official way that University offices communicate with you. Be sure to check your account regularly for updates and important notifications.

Laulima
laulima.hawaii.edu
The learning and collaboration server for the University of Hawai‘i community. This is an online resource for many classes.

IT Services
westoahu.hawaii.edu/it
Students in need of IT assistance with Google@UH applications (including email), Wi-Fi, MyUH, and other UH West O‘ahu course-related technologies can contact the UH West O‘ahu IT Help Desk via email at uhwohelp@hawaii.edu or by phone at (808) 689-2411. Students can also get in-person IT help on the first floor of the UHWO Library (next to the Reference Desk). Additional information and help articles can be found on the UH West O‘ahu IT website: westoahu.hawaii.edu/it.

Parking
Parking at UH West O‘ahu is free and is available on a first-come, first-served basis. Students/Visitors can utilize Lot A. No permit is required to park at either of the designated areas.

Pueo Express
Phone: (808) 228-1511 or (808) 226-9444
westoahu.hawaii.edu/pueo-shuttle
The UH West O‘ahu Pueo Express transports students between the UH West O‘ahu campus and community locations such as Leeward Community College, the Waipahu Transit Center, the Kapolei Transit Center and other places around west O‘ahu. Look for the Pueo Express stop near the UH West O‘ahu campus front entrance (close to the turnaround). Pick up times on campus are every hour and a half, beginning at 9:30am with the last pick up at 5pm.

Bus Pass
thebus.org
Students planning to use the City and County of Honolulu bus system, may purchase a special bus pass (U-Pass) at a reduced rate. The passes are valid for one semester and can be purchased at the Office of Enrollment Services. A valid UH student ID is required.

Employment Opportunities
sece.its.hawaii.edu
On-campus employment is available to students enrolled in a minimum of six credits and 2.0 GPA per semester. To view job opportunities for student employment, visit the UH Student Employment and Cooperative Education at sece.its.hawaii.edu. Off-campus employment opportunities are posted on westoahu.hawaii.edu/career.

Center for Student Access
Phone: (808) 689-2935 or email: hirsbrun@hawaii.edu
westoahu.hawaii.edu/studentaccess
Students with documented disabilities may be eligible for academic accommodations or auxiliary services. If you have a disability that requires special attention, please contact Tom Hirsbrunner, ADA/504 Coordinator, at the Center for Student Access, prior to the start of the semester.
MyUH Services

As a University of Hawai‘i student, you will utilize both MyUH Services and STAR for Students on a regular basis. These customized online systems provide access to registration, graduation requirements, your personal email account, and much, much more. Both portals are secured by a username and password, allowing only you to access your personal records. Don’t forget, create your MyUH account before attending an Advising or Orientation session!

MyUH Services
myuh.hawaii.edu

- Pay your tuition
- View your financial aid award
- Receive announcements about campus news and events
- Access Laulima for online courses

STAR GPS Registration

STAR GPS Registration is an easy-to-navigate registration system that provides you with courses that apply towards graduation.

- Register for classes
- View your unofficial transcript
- View notes regarding your academic record
- Customize your graduation pathway
- View degree progress and courses needed to complete your program
What if Journey allows you to explore the possibility of pursuing another degree program. It will show completed and remaining requirements.

GPS Registration allows you to select courses to register for each semester. Only courses that apply towards your degree will appear as an option for you to select.

Academic Essentials allows you to view your Graduation requirements and keep track of your progress towards graduation.
Finding the money to pay for college is often one of the greatest challenges for students and their families. Whether it’s a grant, scholarship, loan or student employment, our staff can guide you through the process of securing any financial aid for which you may be eligible.

The process begins with completing the Free Application for Federal Student Aid (FAFSA). The FAFSA determines your eligibility for federal aid, and may also qualify you for state and institutional aid. Certain funds are limited, so you are encouraged to apply early. If you miss the priority deadline, you can still apply to explore what’s available.

**FAFSA Priority Deadline: March 1**

### Scholarships & Grants

Your eligibility for grants administrated through UH West O’ahu will automatically be determined upon completion of the FAFSA and awarded based on the availability of funds.

Many scholarships require students to complete a separate application. For a listing of scholarships and their application forms visit: [westoahu.hawaii.edu/grants-and-scholarships](http://westoahu.hawaii.edu/grants-and-scholarships).

Funds received from external sources (e.g. third party payments and external scholarships such as Hawai‘i Community Foundation or Kamehameha Schools) must be reported to the Financial Aid Office.

Financial Aid Awards
myuh.hawaii.edu

Your financial aid award will be posted on your MyUH account and will reflect the types of aid for which you are eligible.

Funds will be applied directly to your UH West O'ahu student account and applied to your tuition and fees for this campus. Funds are usually disbursed no sooner than 10 days prior to the first day of school.

Any excess funds will be refunded to you in the form of a check or directly to your checking or savings account, if eRefund is requested. You can sign up for eRefund through your MyUH account.

Registration at Another UH Campus

Courses taken at another UH campus may be calculated into your UH West O'ahu financial aid package. To be eligible, you must be registered for at least six credits at UH West O'ahu and courses taken elsewhere must be reviewed by an Academic Advisor to ensure that they are applicable and transferable toward your degree.

Students requesting approval will need to submit a completed Concurrent Enrollment Form. Once approved, you are responsible for any non-UH West O'ahu charges and payment must be made directly by you for classes taken elsewhere. Your financial aid is only applied to your UH West O'ahu tuition and fees.

The James and Abigail Campbell Library serves as the center of campus by bringing together academic, intellectual and cultural elements of the people of Hawai‘i in an environment that is both diversified and engaging, while supporting the academic and research needs of students, faculty, staff and the community.

The library houses over 30,000 volumes, including 2,500 Hawaiian-Pacific print titles, and 1,500 media resources. Students can also access print and media resources held in the other nine UH campus libraries. Through the library’s website, you can access numerous research databases, thousands of e-books, scholarly peer-reviewed electronic journals and full-text articles. Librarians are also available to assist in-person, by telephone and through online chat.

The library also provides learning spaces that encourage collaboration through group work, as well as individual study. Comfortable seating strategically placed throughout the first and second floors encourage a more open and relaxed environment where students can use their laptop or mobile device; connect to the wireless network and enjoy a spectacular view of the campus.

UH West O‘ahu believes that students function best in an intimate learning environment in which they are active contributors to their own educational planning. Such planning includes identifying individual educational goals and objectives, as well as future career and educational plans.

To ensure that you meet these goals in a timely and efficient manner, you will be a part of an educational team that provides strong support and guidance with transition, registration, program requirements, and career planning. Each semester, both faculty and academic advisors will serve as resources in ensuring your academic success.

All first-year students are assigned an advisor upon receipt of a student’s Intent to Enroll form. Regular meetings with your advisors are strongly recommended. Students can set up formal appointments in-person, via phone or Zoom video conferencing. After hours appointments are also available through Zoom video conferencing.
Visit the No’eau Center, UH West O’ahu’s premier learning center on campus. Trained peer-tutors and staff are available to help improve your writing, guide you through math and statistics concepts, and support your learning in a variety of other subjects. Tutoring services are free and available in-person and online through video chat, conference call, or written feedback. Whether you are struggling to pass your classes or striving for an A, the No’eau Center can help!

**Writing**
Tutors help you become a more confident learner by providing feedback to help you revise and strengthen your writing and writing process. They work with you at any stage of the process—whether you just want another pair of eyes to look over your draft before you submit it to your professor, have a draft but need help organizing it, or have just received an assignment and don’t know where to start. The tutor’s goal is to help you write effectively and confidently.

**Math, Statistics, Accounting, and Other Subjects**
Working with a peer-tutor will help you identify and utilize new learning tools and strategies in order to help meet your academic and personal goals. Peer-tutors will guide you through the problem-solving process, understanding concepts, practicing problems, developing studying strategies, and assisting in exam preparation at a comfortable pace.

**Workshops**
The No’eau Center offers workshops to enhance academic success. Throughout the semester, students are invited to use the No’eau Center’s popular online workshop videos and tools on various topics including:

- Avoiding plagiarism
- APA style
- Time management
- Study and test-taking skills

The programs offered at the No’eau Center focus on life-long learning and the belief that all students are able to develop critical thinking and quantitative reasoning skills as they transition into the workforce.

“... The No’eau Center has been an inspirational place for me as a student. There is never a shortage of people meeting up to study or hang out and relax. One of the best things about the center is that if you find yourself in need of assistance there are always tutors around to help for almost anything.”

Student Government
asuhwo.com

The Associated Students of UH West O’ahu (ASUHWO) is the official university student government organization. ASUHWO strives to provide activities that address the needs and interests of students, and to promote student participation in the university and community. Activities and projects include assisting the administration with policies, implementing spirit weeks, organizing campus-wide events, and coordinating West Fest. ASUHWO also provides financial support to student clubs.

The Hoot
issuu.com/uhwothehoot

The Hoot is the student-run smart paper. They write and edit articles, take pictures, design and manage their online publications, as well as handle the business side of newspaper production. They cover a range of topics from campus events to what’s going on in the community.

The Nāulu Center renovation was funded by a US Department of Education Title III ANNH grant. Its purpose is to help cultivate meaningful relationships across campus and the community, sustain a safe, inclusive and nourishing space to gather, socialize and participate in recreational activities, provide space, resources and opportunities for all on their paths to excellence, nurture the overall well-being of our community, and perpetuate cultural values, traditions and practices to strengthen sense of belonging and place. The center is made up of several important spaces that students, faculty, staff and community members are able to use and enjoy.

- Ho’okipa Room (multipurpose area)
- Conference Room
- PIKO Project Offices
- Ho’onanea Room (lounge area)
- Culinary Arts Lab
- Prep-Kitchen
- Pueo Fitness Center

The Nāulu Center is currently managed and facilitated by the PIKO Project, Title III ANNH.

**Pueo Fitness Center**

The Pueo Fitness Center sits off the side of the Nāulu Center, packing state-of-the-art exercise machines and free weights into its 500 square feet. It features Freemotion Fitness machines designed for cardio and strength and includes state-of-the-art pulley machines, treadmills, free weights, and two bikes. The fitness center also serves as the home for UH West O’ahu’s Intramurals Sports, Fitness and Wellness program, offering a supportive, professional and relaxed environment in which to work out. The center is free and open to all UH West O’ahu students, faculty and staff with a valid UH West O’ahu ID.
