

## Certificate in Gender Studies

The goal of academic advising is to further enhance the educational mission of the university, and create quality, accessible advising partnerships with all students in a positive environment that supports student success. This advising sheet is for tracking purposes toward degree completion and is subject to change. Students also may track their academic progress via STAR Degree Check through STAR GPS at <https://www.star.hawaii.edu/>. Academic Advising appointments may be scheduled by calling [808-689-2689](tel:808-689-2689) or toll-free from neighbor islands at [866-299-8656](tel:866-299-8656).

The certificate program in Gender Studies enhances students' abilities to think critically and constructively about the society and communities they are a part of with a focus on gender. Further, it offers a credential that is applicable to a wide range of careers including medicine, nursing, law, business, education, counseling, and social work. The certificate will also provide the theoretical groundwork for advanced feminist and gender studies at the graduate level. The certificate can be earned as a self-standing credential and may also be used as part of a Bachelor of Arts degree in Social Sciences. Specifically, courses in this certificate can be used to fulfill concentration and upper-division elective requirements in the SSCI.

The faculty contacts for this certificate are Dr. Monique Mironesco ([mironesc@hawaii.edu](mailto:mironesc@hawaii.edu)) or Dr. Xóchitl Mota-Back ([motaback@hawaii.edu](mailto:motaback@hawaii.edu)).
