These students may take any UH West O'ahu language course, appropriate to their level, in which there is significant use of that language. "Appropriate level" of a language will be determined by placement exam, division policy and/or the concentration's chair or advisor. "Significant use" of a language will be determined by the course content. Upon completion of this course, if students earn a letter grade of C (not C-) or better, they may receive between 3-16 back credits.
