UNIVERSITY OF HAWAII ARTICULATION AGREEMENT

Kaua'i Community College Associate in Arts degree in Hawaiian Studies to the University of Hawai'i-West O'ahu Bachelor of Arts degree in Humanities with a concentration in Hawaiian Pacific Studies

The purpose of this Agreement is to facilitate a smooth transition for students from the Kaua'i Community College (Kaua'i CC) Associate in Arts (AA) in Hawaiian Studies program to the University of Hawai'i-West O'ahu (UHWO) Bachelor of Arts (BA) in Humanities with a concentration in Hawaiian Pacific Studies program.

This recommended pathway is designed to produce multiple entry and exit points to flexibly serve student career and educational objectives. Students may use dual enrollment as a method of completing the required coursework outlined in the attachments to this agreement, contingent upon eligibility, deadlines, and established procedures.

Students must graduate from Kaua'i Community College with the articulated AA degree in Hawaiian Studies to be eligible for the benefits of this Agreement. Completion of the articulated AA degree will enable students to follow the University of Hawai'i-West O'ahu core, concentration, general education, focus, and graduation requirements in place on the effective term of this agreement. Participation in the University of Hawai'i Automatic Admissions transfer process is possible for students planning to complete the AA in Hawaiian Studies provided that eligibility, deadlines, and procedures established for the designated term of entry are met. Students who do not complete the AA in Hawaiian Studies degree at Kaua'i Community College will be required to meet catalog requirements in place upon admission to the University of Hawai'i-West O'ahu. While this academic pathway represents the most efficient coursework progression from the AA program at Kaua'i Community College through the BA program at the University of Hawai'i-West O'ahu, individual course substitutions may be made on a case-by-case basis when recommended courses are not available; however, all core, concentration, general education, focus, and graduation requirements must still be met in those individual cases.

Requirements of the articulated Associate in Arts, Hawaiian Studies degree and the Bachelor of Arts in Humanities, Hawaiian Pacific Studies degree are provided as attachments and form the basis of this Agreement. Subsequent changes to the curricular requirements of these programs may require revisions to this Agreement.

Under the terms of this Agreement, the University of Hawai'i-West O'ahu agrees to:

1. Identify Success Advisors at the University of Hawai'i-West O'ahu who will partner with Kaua'i Community College Counselors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a Success Advisor at the University of Hawai'i-West O'ahu who will work with their campus STAR personnel to develop an accurate STAR pathway for students pursuing this articulation agreement.
3. Identify a University of Hawai'i-West O'ahu faculty member who will serve as the faculty advisor to students who are part of this articulation in the selected concentration.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with Kaua'i Community College faculty and/or administration minimally every three years, or on an as-needed basis, to discuss potential and planned curricular changes.

Under the terms of this Agreement, Kaua'i Community College agrees to:

1. Place a notation in the advisor notes in STAR which identifies AA in Hawaiian Studies students intending to transfer to the University of Hawai'i-West O'ahu who are in the process of completing the AA degree and are a part of this articulation.
2. Identify a Counselor at Kaua'i Community College who will partner with the University of Hawai'i-West O'ahu Success Advisor to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information.
3. Identify a Kaua'i Community College faculty member who will serve as the faculty advisor to students who are part of the articulation.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with the University of Hawai'i-West O'ahu faculty and/or administration minimally every two years, or on an as needed basis, to discuss potential and planned curricular changes.

This Articulation Agreement was electronically signed via Quali on August 26, 2024, and is effective beginning Fall 2024. This agreement is based on the General Education and Focus requirements in effect at the University of Hawai'i-West O'ahu for 2024-2025.

This Agreement will be subject to review in academic year 2029 and may be continued, revised, or discontinued with the consent of both parties. Should both parties agree to terminate the Agreement, the University of Hawai'i-West O'ahu will honor the Agreement stipulations for identified students currently enrolled in this articulation option at the time of termination.
