

UNIVERSITY
of HAWAII®
WEST O'AHU

UNIVERSITY of HAWAII®
KAPI'OLANI
COMMUNITY COLLEGE

UNIVERSITY OF HAWAII ARTICULATION AGREEMENT

Kapi'olani Community College Associate in Science in Mobile Intensive Care Technician to the University of Hawai'i-West O'ahu Bachelor of Arts in Public Administration with a concentration in Community Health, Disaster Preparedness and Emergency Management, Health Care Administration or Long-Term Care

The purpose of this Agreement is to facilitate a smooth transition for students from the Kapi'olani Community College Associate in Science (AS) in Mobile Intensive Care Technician program to the University of Hawai'i-West O'ahu Bachelor of Arts (BA) in Public Administration with a concentration in Community Health, Disaster Preparedness and Emergency Management, Health Care Administration or Long-Term Care program.

This recommended pathway is designed to produce multiple entry and exit points to flexibly serve student career and educational objectives. Students may use dual enrollment as a method of completing the required coursework outlined in the attachments to this agreement, contingent upon eligibility, deadlines, and established procedures.

Students must graduate from Kapi'olani Community College with the articulated AS degree in Mobile Intensive Care Technician to be eligible for the benefits of this Agreement. Completion of the articulated AS degree will enable students to follow the University of Hawai'i-West O'ahu core, concentration, general education, focus, and graduation requirements in place on the effective term of this agreement. Participation in the University of Hawai'i Automatic Admissions transfer process is possible for students planning to complete the AS in Mobile Intensive Care Technician provided that eligibility, deadlines and procedures established for the designated term of entry are met. Students who do not complete the AS in Mobile Intensive Care Technician degree at Kapi'olani Community College will be required to meet catalog requirements in place upon admission to the University of Hawai'i-West O'ahu. While this academic pathway represents the most efficient coursework progression from the AS program at Kapi'olani Community College through the BA program at the University of Hawai'i-West O'ahu, individual course substitutions may be made on a case-by-case basis when recommended courses are not available; however, all core, concentration, general education, focus, and graduation requirements must still be met in those individual cases.

Requirements of the articulated Associate in Science (AS) in Mobile Intensive Care Technician and the Bachelor of Arts (BA) in Public Administration are provided as attachments and form the

basis of this Agreement. Subsequent changes to the curricular requirements of these programs may require revisions to this Agreement.

Under the terms of this Agreement, the University of Hawai'i-West O'ahu agrees to:

1. Identify Success Advisors at the University of Hawai'i-West O'ahu who will partner with Kapi'olani Community College Counselors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a Success Advisor at the University of Hawai'i-West O'ahu who will work with their campus STAR personnel to develop an accurate STAR pathway for students pursuing this articulation agreement.
3. Identify a University of Hawai'i-West O'ahu faculty member who will serve as the faculty advisor to students who are part of this articulation in the selected concentration.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with Kapi'olani Community College faculty and/or administration minimally every two years, or on an as-needed basis, to discuss potential and planned curricular changes.

Under the terms of this Agreement, Kapi'olani Community College agrees to:

1. Place a notation in the advisor notes in STAR which identifies AS in Mobile Intensive Care Technician students intending to transfer to the University of Hawai'i-West O'ahu who are in the process of completing the AS degree and are a part of this articulation.
2. Identify a Counselor at Kapi'olani Community College who will partner with the University of Hawai'i-West O'ahu advisors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information.
3. Identify a Kapi'olani Community College faculty member who will serve as the faculty advisor to students who are part of the articulation.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with the University of Hawai'i-West O'ahu faculty and/or administration minimally every two years, or on an as needed basis, to discuss potential and planned curricular changes.

This Articulation Agreement is effective beginning Spring 2021 and is based on the General Education and Focus requirements in effect at the University of Hawai'i-West O'ahu for 2020-2021.

This Agreement will be subject to review in Spring 2024 and may be continued, revised or discontinued with the consent of both parties. Should both parties agree to terminate the Agreement, the University of Hawai'i-West O'ahu will honor the Agreement stipulations for identified students currently enrolled in this articulation option at the time of termination.

Bachelor of Arts in Public Administration, Long-Term Care**(Kapi'olani Community College AS in Mobile Intensive Care Technician Articulation Agreement, Effective Fall 2020)**

The goal of academic advising is to further enhance the educational mission of the university, and create quality, accessible advising partnerships with all students in a positive environment that supports student success. This advising sheet is for tracking purposes toward degree completion and is subject to change. Students also may track their academic progress via STAR Degree Check through STAR GPS at <https://www.star.hawaii.edu/>. Academic Advising appointments may be scheduled by calling [808-689-2689](tel:808-689-2689) or toll-free from neighbor islands at [866-299-8656](tel:866-299-8656).
