UNIVERSITY OF HAWAI'I ARTICULATION AGREEMENT

Leeward Community College Associate in Science degree in Health Information Technology to the University of Hawai'i-West O'ahu Bachelor of Applied Science degree in Health Information Management

The purpose of this Agreement is to facilitate a smooth transition for students from the Leeward Community College Associate in Science (AS) in Health Information Technology program to the University of Hawai'i-West O'ahu Bachelor of Applied Science (BAS) in Health Information Management program.

This recommended pathway is designed to produce multiple entry and exit points to flexibly serve student career and educational objectives. Students may use dual enrollment as a method of completing the required coursework outlined in the attachments to this agreement, contingent upon eligibility, deadlines, and established procedures.

Students must graduate from Leeward Community College with the articulated AS degree in Health Information Technology to be eligible for the benefits of this Agreement. Completion of the articulated AS degree will enable students to follow the University of Hawai'i-West O'ahu core, concentration, general education, focus, and graduation requirements in place on the effective term of this agreement. Participation in the University of Hawai'i Automatic Admissions transfer process is possible for students planning to complete the AS in Health Information Technology provided that eligibility, deadlines and procedures established for the designated term of entry are met. Students who do not complete the AS in Health Information Technology degree at Leeward Community College will be required to meet catalog requirements in place upon admission to the University of Hawai'i-West O'ahu. While this academic pathway represents the most efficient coursework progression from the AS program at Leeward Community College through the BAS program at the University of Hawai'i-West O'ahu, individual course substitutions may be made on a case-by-case basis when recommended courses are not available; however, all core, concentration, general education, focus, and graduation requirements must still be met in those individual cases.

Requirements of the articulated Associate in Science (AS) in Health Information Technology and the Bachelor of Applied Science (BAS) in Health Information Management are provided as attachments and form the basis of this Agreement. Subsequent changes to the curricular requirements of these programs may require revisions to this Agreement.

Under the terms of this Agreement, the University of Hawai'i-West O'ahu agrees to:

1. Identify Success Advisors at the University of Hawai'i-West O'ahu who will partner with Leeward Community College Counselors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a University of Hawai'i-West O'ahu faculty member who will serve as the faculty advisor to students who are part of this articulation in the selected concentration.
3. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
4. Meet with Leeward Community College faculty and/or administration minimally every two years, or on an as-needed basis, to discuss potential and planned curricular changes.

Under the terms of this Agreement, Leeward Community College agrees to:

1. Place a notation in the advisor notes in STAR which identifies AS in Health Information Technology students intending to transfer to the University of Hawai'i-West O'ahu who are in the process of completing the AS degree and are a part of this articulation.
2. Identify a Counselor at Leeward Community College who will partner with the University of Hawai'i-West O'ahu advisors to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information.
3. Identify a Leeward Community College faculty member who will serve as the faculty advisor to students who are part of the articulation.
4. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school in order to be eligible for financial aid.
5. Meet with the University of Hawai'i-West O'ahu faculty and/or administration minimally every two years, or on an as needed basis, to discuss potential and planned curricular changes.

This Articulation Agreement is effective beginning Spring 2020 and is based on the General Education and Focus requirements in effect at the University of Hawai'i-West O'ahu for 2019-2020.

This Agreement will be subject to review in academic year 2025 and may be continued, revised or discontinued with the consent of both parties. Should both parties agree to terminate the Agreement, the University of Hawai'i-West O'ahu will honor the Agreement stipulations for identified students currently enrolled in this articulation option at the time of termination.

UNIVERSITY OF HAWAII-WEST O'AHU

Bachelor of Applied Science in Health Information Management
University of Hawai'i-West O'ahu Articulation Option Requirements
Based on Catalog Year: 2019-2020

General Education Requirements (31 credits)

Gen Ed / Credits Requirement/Course Title

Focus

FW	3	Written Communication: ENG 100 Composition I
FS/FQ	3	Symbolic Reasoning: MATH 103 College Algebra, MATH 115 Statistics or higher-level Mathematics
FG	6	Global & Multi-cultural Perspectives: Complete 6 credits from two different groups (FGA, FGB or FGC)
DA, DH, DL	6	Diversification Arts, Humanities or Literature: Complete 6 credits from two different areas
DS	6	Diversification Social Sciences: Complete 6 credits from two different subject areas
DB, DP, DY	7	Diversification Natural Sciences: Complete 3 credits of Biological Science (DB), 3 credits of Physical Science (DP) and 1 credit of Lab (DY)

Writing Skills Requirement

ENG 200 Composition II or ENG 209 Business Writing

Lower Division Math Requirement (3 credits)

MATH 103 College Algebra, MATH 115 Statistics or higher-level Math

BAS Core Program Requirements (12 credits)

Gen Ed / Credits Course Course Title

	3	ICS 101	Digital Tools for the Information World
	3	BUSA 320	Statistics for Decision Making
	3	PUBA 308	Community Engaged Research Methods
ETH	3	PUBA 477	Ethics in Health Care Administration

HIM Concentration Requirements (49-53 credits)

Credits Course Course Title

3	PHYL 141	Human Anatomy and Physiology I
1	PHYL 141L	Human Anatomy and Physiology Lab I
3	PHYL 142	Human Anatomy and Physiology II
1	PHYL 142L	Human Anatomy and Physiology Lab II
3	HLTH 242	Medical Terminology

Credits	Course	Course Title
3	HLTH 243	Human Pathophysiology and Pharmacology
3	HIM 201	Health Information Management Theory and Practice
3	HIM 304	Clinical Classification I: Basic Diagnosis Coding
3	HIM 305	Clinical Classification II: Basic Procedure Coding
3	HIM 306	Operational Management of Health Information Services
3	HIM 309	Healthcare Statistics and Data Analytics
3	HIM 403	Healthcare Insurance, Reimbursement, and Economics
3	HIM 404	Clinical Classification III: Intermediate Coding
3	HIM 405	Clinical Classification IV: Advanced Coding
3	HIM 406	Strategic Management of Health Information Services
3	HIM 408	HIM Cooperative Education
3	PUBA 314	Community Epidemiology & Population Health
3	PUBA 351	Human Resources Administration

Capstone Requirement (7 credits)

Credits	Course	Course Title
4	HIM 490	HIM Practicum and RHIA Exam Prep
3	APSC 486H	Senior Project (WI)

Elective Requirement: Upper Division credits

Additional 300-400 level coursework needed to meet the University of Hawai'i-West O'ahu 45 upper division credit minimum. Students are encouraged to select upper division coursework that fulfill any outstanding General Education requirements upon transfer to the University of Hawai'i-West O'ahu.

Focus Requirements

Requirement

Oral Communication (OC)

Contemporary Ethical Issues (ETH)

Hawaiian, Asian and Pacific Issues (HAP)

*Can be met in combination with other requirements

Writing Intensive Requirement

Complete 3 upper division (300 or higher) level Writing Intensive (WI) courses. A minimum of two classes must come from coursework outside of the Capstone Course (APSC 486H) *Whenever possible, WI sections of required core or concentration courses are highly recommended.*

Note: A minimum of 120 total credits must be earned of which 45 credits must be upper division. A minimum of 30 credits must be earned "in residence" through courses taken at the University of Hawai'i-West O'ahu.

Bachelor of Applied Science in Health Information Management (Leeward Community College AS in Health Information Technology Articulation Agreement Effective Spring 2020)

The goal of academic advising is to further enhance the educational mission of the university, and create quality, accessible advising partnerships with all students in a positive environment that supports student success. This advising sheet is for tracking purposes toward degree completion and is subject to change. Students also may track their academic progress via STAR Degree Check through www.star.hawaii.edu. Academic Advising appointments may be scheduled by calling [808-689-2689](tel:808-689-2689) or toll-free from neighbor islands at [866-299-8656](tel:866-299-8656).

Graduation Requirements (see the current catalog for any additional graduation requirements):

General Education Requirements: 31 credits

Credits	Course Alpha / Number / Title
3	Foundation Written Communication (FW): / Leeward CC: ENG 100 ENG 100 Composition I
3	Foundations Symbolic Reasoning (FS) OR Foundations of Quantitative Reasoning (FQ) MATH 103M/L, MATH 103, MATH 115, MATH 135 or higher *Will Satisfy Lower Division Math Requirement
6	Foundation Global and Multicultural Perspectives (FG): 6 credits from two different groups (A, B, C): *Group A: Primarily before 1500 CE *Group B: Primarily after 1500 CE *Group C: Pre-history to present
3	Diversification Arts, Humanities & Literature (DA, DH, DL): / Leeward CC: HWST 107 (DH, HAP) 6 credits from two different subject areas (Recommend 300-400 level DA or DL)
3	Diversification Arts, Humanities & Literature (DA, DH, DL): (Recommend 300-400 level DA or DL) Different area from above
3	Diversification Social Sciences (DS): / Leeward CC: ECON 130, 131 or any other DS 6 credits from two different areas
3	Diversification Social Sciences (DS): (Recommend 300-400 level DS in different area than above) Different area from above
3	Diversification Natural Sciences (DB, DP, DY): / Leeward CC: BIOL 130 or PHYL 141 3 credits from the biological sciences (DB)
3	3 credits from the physical sciences (DP)
1	1 credit of laboratory (DY) / Leeward CC: BIOL 130L or PHL 141L

Writing Skills Requirement: 3 credits

Credits	Course Alpha / Number / Title
3	ENG 200, ENG 209, ENG 210, or ENG 215

Lower Division Math Requirement: 0-3 credits

Credits	Course Alpha / Number / Title
0-3	MATH 103M/L, 103, 115, 135 or higher (Will Satisfy general education FQ above)

Leeward Lower Division Health Information Technology Requirements: 44-45 credits

Students must earn AS in HIT from Leeward Community College to follow this pathway. Lower Division Leeward CC requirements waived upon completion of AS degree.

Credits	Course Alpha / Number / Title
2-3	HLTH 110 Medical Terminology (<i>Recommend completing HLTH 125 Survey of Medical Terminology (1 cr) in conjunction with HLTH 110 to receive substitution for HLTH 242 at UHWO</i>)
3	HIT 101 Healthcare Delivery Systems
3	HIT 102 Health Data, Records, and Documentation
3	HIT 108 Introduction to Diagnosis Coding
3	HIT 109 Introduction to Procedure Coding
3	HIT 115 Reimbursement Methodologies
3	HIT 120 Intro to Healthcare Data Management & Analytics OR HIT 171 Health Data, Information, Law, and Ethics
3	HIT 176 Statistics with Health Applications
3	HIT 192 Professional Practice Experience and RHIT Study Prep
3	HIT 200 Disease Pathology and Pharmacology
3	HIT 208 Advanced Coding I
3	HIT 209 Advanced Coding II
3	HIT 215 Quality Management
3	HIT 220 Health Care Computing and EHR
3	HIT 225 HIM Supervisory Management

Applied Science Core Requirements: 12 credits

Credits	Course Alpha / Number / Title
3	ICS 101 Digital Tools for the Information World Leeward CC BUS 101
3	BUSA 320 Statistics for Decision-Making (pre: Completion of MATH 103, 115 or higher with a C- or higher)
3	PUBA 308 Community Engaged Research Methods
3	PUBA 477 Ethics in Health Care Administration (ETH Focus)

HIM Concentration Requirements: 18-53 credits

Credits	Course Alpha / Number / Title
0-3	PHYL 141 Human Anatomy and Physiology I Leeward CC BIOL 130 or PHYL 141
0-1	PHYL 141L Human Anatomy and Physiology Lab I Leeward CC BIOL 130L or PHYL 141L
0-3	PHYL 142 Human Anatomy and Physiology II Leeward CC BIOL 130
0-1	PHYL 142L Human Anatomy and Physiology Lab II Leeward CC BIOL 130L
0-3	HLTH 242 Medical Terminology Leeward CC HLTH 110 and HLTH 125
0-3	HLTH 243 Human Pathophysiology and Pharmacology Leeward CC HIT 200
0-3	HIM 201 Health Information Management Theory and Practice Leeward CC HIT 102 and HIT 171 or HIT 120
3	HIM 203 Health Informatics and Information Systems
0-3	HIM 304 Clinical Classification I: Basic Diagnosis Coding Leeward CC HIT 108

Credits	Course Alpha / Number / Title
0-3	HIM 305 Clinical Classification II: Basic Procedure Coding Leeward CC HIT 109
0-3	HIM 306 Operational Management of Health Information Services Leeward CC HIT 225
3	HIM 309 Healthcare Statistics and Data Analytics
3	HIM 403 Healthcare Insurance, Reimbursement, and Economics
0-3	HIM 404 Clinical Classification III: Intermediate Coding Leeward CC HIT 208
0-3	HIM 405 Clinical Classification IV: Advanced Coding Leeward CC HIT 209
3	HIM 406 Strategic Management of Health Information Services
0-3	HIM 408 HIM Cooperative Education Leeward CC HIT 192
3	PUBA 314 Community Epidemiology & Population Health
3	PUBA 351 Human Resources Administration

Capstone Requirements: 7 credits

Credits	Course Alpha / Number / Title
4	HIM 490 HIM Practicum and RHIA Exam Prep
3	APSC 486 (H) Senior Project (WI)

Elective Requirements: 8-14 Upper Division credits

*See your College Success Advisor to determine the how many electives needed

Credits	Course Alpha / Number / Title
3	Upper Division Elective (Recommend Upper Division WI)
3	Upper Division Elective (Recommend Upper Division WI)
2	Upper Division Elective (Recommend OC Focus)
3	Possible Upper Division Elective <i>(Need Upper Division Elective if you choose to take a lower division DA/DL in General Education Requirement)</i>
3	Possible Upper Division Elective <i>(Need Upper Division Elective if you choose to take a lower Division DS in General Education Requirement)</i>
