MĀNOA

UNIVERSITY OF HAWAII PROGRAM ARTICULATION AGREEMENT

University of Hawai'i-West O'ahu Pre-Nursing Pathway to the University of Hawai'i at Mānoa Bachelor of Science in Nursing Program

The purpose of this Agreement is to facilitate a smooth transition for students from the University of Hawai'i-West O'ahu Pre-Nursing Pathway to the University of Hawai'i Mānoa Bachelor of Science in Nursing.

The Pre-Nursing Pathway aims to develop and prepare scholarly leaders from West O'ahu who are interested in improving the health and wellness of their community through a career in nursing. Through a unique collaboration between the Math, Natural & Health Sciences Division (MNHS) of the University of Hawai'i-West O'ahu (UH West O'ahu) and the Nancy Atmospera-Walch School of Nursing at the University of Hawai'i Mānoa (UH Mānoa), Pre-Nursing Pathway students will enroll in rigorous science courses and engage in hands-on clinical training opportunities in a variety of settings led by highly skilled professionals. This dynamic academic experience will be supplemented with state-of-the-art simulation equipment that provides extended learning options. The program fosters a holistic approach through incorporating Native Hawaiian values and principles, as well as place-based and 'āina-based learning.

The Pre-Nursing Pathway enables UH West O'ahu students to complete all general education, prerequisite courses, and required courses within the Nursing bachelor's curriculum for a UH Mānoa Bachelor of Science in Nursing on the UH West O'ahu's campus. Students will initially be admitted to the UH West O'ahu as "Pre-Nursing Pathway" students in the Bachelor of Applied Science, Health Professions, General Health Sciences concentration and will enroll in and complete pre-nursing courses.

Students may apply to the Bachelor of Science (BS) in Nursing program offered by the UH Mānoa Nancy Atmospera-Walch School of Nursing (NAWSON) after successful completion of the Pre-Nursing Pathway courses. Through this specialized partnership, both campuses will provide students with support services and opportunities needed to prepare for admission into the nursing program. Students admitted to the BS in Nursing Cohort will change their home school from UH West O'ahu to UH Mānoa in semester 4.

The purpose of the extra semester is to provide support and preparation for these students to ensure their success in the pre-nursing pathway and the BS in Nursing program. This mitigation is similar to the Imi Ho'ola program with the John A. Burns School of Medicine. Additionally, UH West O'ahu is a premier, comprehensive, Indigenous-serving institution and the planned 4.5-year program will allow UHWO students an additional semester of preparation during their pre-nursing pathway to become immersed in a Hawaiian place of learning with additional support to be successful in the rigorous nursing program.

To continue to offer a quality nursing program and decrease negative impacts of increased enrollment, we plan to do a Spring admission to the UH Mānoa's NAWSON program (there is currently only a Fall admission). This Spring admission will help to increase UH Mānoa's capacity to educate nurses for Hawai'i, but it will allow us to do so in this climate of nursing faculty shortages and limited clinical site capacity.

Admissions Criteria, pre-requisites and program requirements for the Pre-Nursing Pathway and the BS in Nursing are provided in Appendix I and II and form the basis of this Agreement. Subsequent changes to the curricular requirements of the program may require revisions to this Agreement.

Under the terms of this Agreement, the UH West O'ahu agrees to:

1. Offer all current general education and pre-requisite requirements for the UH Mānoa BS in Nursing program as outlined in the Appendix I.
2. Develop, enhance and offer Student Development and Health Science Seminar courses to support students accepted into the Pre-Nursing Pathway. The courses will include community engagement activities, academic support opportunities and social networking experiences.
3. Form a UH West O'ahu admissions and selection committee responsible for the intake and initial review of applications for the Pre-Nursing Pathway.
4. UH West O'ahu eligible students must apply using the UH NAWSON two-step application process. UH West O'ahu will forward recommended students of the Pre-Nursing Pathway cohort to UH Mānoa NAWSON for review. Admission will not be deferred.
5. Provide adequate space and technology for, and coordinate availability of, appropriate classroom instructional facilities for the UH Mānoa faculty to offer courses at the UH West O'ahu campus during the transition semester and all subsequent semesters of the UH Mānoa BS in Nursing program coursework.
6. Facilitate relationships for clinical placement opportunities with neighboring UH West O'ahu health facilities (i.e., health centers and clinics).

7. Identify a Success Advisor at the UH West O'ahu who will partner with the UH Mānoa NAWSON Undergraduate Program Advisor to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information. The Success Advisor at the UH West O'ahu will work with UH Mānoa's campus STAR personnel to develop an accurate STAR pathway for students pursuing this articulation agreement.
8. Identify a UH West O'ahu faculty member who will serve as the Faculty Coordinator of the Pre-Nursing Pathway. The West O'ahu Faculty Coordinator will also serve as a mentor to students of the accepted cohort. The UH West O'ahu Faculty Coordinator will work closely with the UH Mānoa NAWSON Undergraduate Program Director.
9. Identify a UH West O'ahu staff member who will serve as the Program Coordinator of the Pre-Nursing Pathway.
10. Identify UH West O'ahu instructor(s) who will provide additional instructional and teaching support for the pre-nursing curriculum. Faculty that instruct the courses designated as lower division writing intensive courses as outlined in this agreement will complete UH West O'ahu Writing Intensive training and be approved by the Writing Intensive Committee
11. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school to be eligible for financial aid.
12. Meet with the UH Mānoa NAWSON faculty and/or administration annually and on an as-needed basis, to discuss program quality improvement and potential curricular changes.
13. Upgrade the UH West O'ahu simulation facility to include but not limited to audio/visual, information technology, and high fidelity mannikins. Use of the simulation space will be prioritized for the BS in Nursing cohort. The UH West O'ahu simulation Lab Coordinator will work with the UH Mānoa THSSC Lab Coordinator to schedule high fidelity simulation coverage by THSSC Staff.
14. Arrange UH Mānoa Campus visits at least annually for each cohort to attend required simulation activities at UH Mānoa.
15. Offer the following University of Hawai'i-UH West O'ahu courses to fulfill the UH Mānoa BS in Nursing requirements:
 - a. PSY 240 with a DS designation as an equivalent to UH Mānoa's HDFS 230 and to fulfill the DS General Education requirement

- b. ENG 220 as a lower division Writing Intensive (it will be taught in accordance with UH Mānoa's WI requirements)
 - c. PHYL 142L as a lower division Writing Intensive (it will be taught in accordance with UH Mānoa's WI requirements)
16. Collaborate with UH Mānoa 'IKE AO PONO program to increase the number of Native nurses in order to advance the healthcare and well-being of Native islanders and all peoples throughout Hawai'i nei.
17. In anticipation of the need for additional funding and faculty and staff positions, UH West O'ahu MNHS and UH Mānoa NAWSON will work together to generate a budget and strategic fund development plan, which may include (but not exclusively) grants, philanthropic resources, and legislative requests.

Under the terms of this Agreement, the University of Hawai'i at Mānoa NAWSON agrees to:

1. Review applications and accept a cohort of UH West O'ahu Students into the BS in Nursing program each spring. Students must meet the UH Mānoa and NAWSON BS in Nursing admission requirements as outlined in Appendix II. If there are less than 24 Pre-Nursing students from UH West O'ahu that meet NAWSON admission criteria, the unfilled seats will be offered first to UH West O'ahu students that meet the criteria, and thereafter UH Mānoa BS in Nursing applicants with a priority to those that reside in Leeward O'ahu. UH West O'ahu students not admitted into the BS Nursing program or who are ineligible and must repeat a course(s) may be eligible to apply with a subsequent cohort. The first cohort will enter in Spring 2024.
2. Offer UH Mānoa Nursing courses at the UH West O'ahu's campus during the transition semester and all subsequent semesters for the students accepted into the UH Mānoa BS in Nursing program. The BS in Nursing courses will be offered to students at the UH Mānoa undergraduate tuition rate and professional nursing fee in accordance with the UH approved tuition schedule.
3. The Undergraduate Program Advisor will partner with the UH West O'ahu College Success Advisor to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other relevant advising information. UH West O'ahu's seminar courses and UH Mānoa NAWSON's 'IKE AO PONO program provide additional support to admitted Native Hawaiian and Pacific Islander students.
4. The Undergraduate Program Director will work closely with the UH West O'ahu Faculty Coordinator.
5. Will be responsible for clinical placements for the BS in Nursing Cohort via the Director for Clinical Placement and Operations.

6. Inform students that financial aid may be available through either institution as the student identifies his/her home campus each semester, and that students must follow the financial aid policies and procedures at that home school to be eligible for financial aid.
7. Will meet with the UH West O'ahu faculty and/or administration annually and on an as-needed basis, to discuss program quality improvement and potential curricular changes.
8. Accept the following UH West O'ahu courses to fulfill the UH Mānoa BS in Nursing requirements:
 - a. Accept PSY 240 with a DS designation as an equivalent to UH Mānoa's HDFS 230 and to fulfill the DS General Education requirement
 - b. Accept ENG 220 as a lower division Writing Intensive (it will be taught in accordance with UH Mānoa's WI requirements)
 - c. Accept PHYL 142L as a lower division Writing Intensive (it will be taught in accordance with UH Mānoa's WI requirements)
9. Consult with UH West O'ahu for simulation facility upgrades to include but not limited to audio/visual, information technology, and high fidelity mannikins. The UH Mānoa THSSC Lab Coordinator will work with the UH West O'ahu Lab Coordinator to schedule high fidelity simulation coverage by THSSC Staff at the UH West O'ahu Simulation Facility.
10. Offer required simulation activities at least annually for each cohort at the UH Mānoa campus.
11. In anticipation of the need for additional funding and faculty and staff positions, UH West O'ahu MNHS and UH Mānoa NAWSON will work together to generate a budget and strategic fund development plan, which may include (but not exclusively) grants, philanthropic resources, and legislative requests.

This Agreement was electronically signed via Kuali on October 18, 2022 and is effective for five years from the time of signing. The Parties to this Agreement will review the program one year prior to the expiration of the agreement to ascertain whether alterations are required. Amendments to this Agreement must be in writing and approved by the chief academic officers of each campus. Changes made without agreement among the involved campuses may invalidate this Agreement. Any party may terminate its participation in this agreement by giving written notice to the designated representatives a minimum of one (1) year prior to the intended date of termination. All students in the program will be allowed to complete their course of study in accordance with the Agreement. The terms of this Agreement are subject to prevailing University of Hawai'i policies.

APPENDIX I

University of Hawai'i-West O'ahu

Pre-Nursing Pathway for the University of Hawai'i Mānoa
Bachelor of Science in Nursing Articulation Agreement
Based on Catalog Year: 2022-2023

The Pre-Nursing Pathway is designed to assist students seeking to prepare for admission and meet graduation requirements for the Bachelor of Science in Nursing degree program offered by UH Mānoa. The coursework indicated below reflects the most efficient academic pathway. Please note that although course titles and numbers listed reflect UH West O'ahu coursework, the requirements indicated are in alignment with the academic program requirements of the UH Mānoa campus, which can be found in the UH Mānoa General Catalog.

UH West O'ahu Pre-Nursing Pathway Admissions Requirements

- High school GPA: 2.7 cumulative GPA (on a 4.0 scale)
- Submission of a completed UH West O'ahu application by the deadline
- Freshman/First year student status or newly enrolled at UH West O'ahu
- Submission of Intent to Enroll in the Pre-Nursing Pathway form
- Attendance at a Pre-Nursing Pathway Informational Session
- Register for the required prerequisite coursework at UH West O'ahu each semester, according to the BAS-Health Professions, GHS, Pre-nursing Pathway Academic Map

UH West O'ahu Pre-Nursing Pathway Continued Enrollment Requirements

- Submit a UH West O'ahu & UH Mānoa Pre-Nursing Pathway Continued Enrollment Review Form by October 1st, requesting continued enrollment in the BAS-Health Professions, GHS, Pre-nursing Pathway
- Meet with a College Success Advisor and Faculty Advisor/Program Coordinator each semester
- Register for the required prerequisite coursework at UH West O'ahu each semester, according to the BAS-Health Professions, GHS, Pre-nursing Pathway Academic Map
- Maintain a minimum grade of "B" or higher (not B-) in PHYL lectures, PHYL labs, MICR 130, and MATH courses
- Maintain a minimum grade of "C" or higher (not C-) in all other prerequisite courses
- Participate in clinical, hands-on opportunities and simulation activities
- Complete and submit a Bachelor of Applied Science-Health Professions, General Health Science Pre-Nursing Pathway Continued Enrollment Verification Form

Selection Criteria: The above information provides minimum criteria for admission and acceptance to UH West O'ahu and UH Mānoa Partnership. Acceptance into UH Mānoa's Bachelor of Science in Nursing is highly competitive and has additional

selection criteria. Preference will be given to students who have participated in the Pre-Nursing Pathway and reside in Leeward O‘ahu.

UH West O‘ahu Pre-Nursing Pathway Requirements

Credits	UHWO Course	Course Title	UH Mānoa Requirement
3	ENG 100	Composition I	ENG 100 (FW)
3-5	MATH 115 or MATH 115M/L	Statistics	FQ
3	Multi-Cultural (FGA, FGB, FGC)	Recommend HIST 156 World History of Human Disease	HIST 156 (FGC)
3	SP 151	Personal & Public Speech	COMG 151 (DA, OC)
3	HWST 107	Hawai‘i: Center of the Pacific	HWST 107 (DH, HAP)
3	PSY 100	Survey of Psychology	PSY 100 (DS)
3	PSY 240	Developmental Psychology	HDFS 230 (DS)
3	PHYL 141	Human Anatomy and Physiology I	PHYL 141 (DB)
1	PHYL 141 L	Human Anatomy and Physiology I Lab	PHYL 141 L (DY)
3	PHYL 142	Human Anatomy and Physiology II	PHYL 142 (DB)
1	PHYL 142 L	Human Anatomy and Physiology II Lab	PHYL 142 L (DY, WI)
3	MICR 130	General Microbiology	MICR 130 (DB)
3	BIOC 141	Fundamentals of Biochemistry	BIOC 141 (DP)
3	ENG 220	Scientific Writing	WI
3	HLTH 123	Intro to Clinical Skills and Patient Care	Elective
1	SD 100a	The University Experience	Elective
1	SD 102	Identity, Place and Culture	Elective
1	SD 105a	Career and Major Exploration	Elective
3	HLTH 204	Introduction to Native Hawaiian and Indigenous Health and Healing	Elective
1	HLTH 298a	Pre-Health Professional Seminar	Elective
1	HLTH 398a	Pre-Health Professional Seminar	Elective
1	NSCI 100	Transdisciplinary Introduction to Laboratory Methods	Elective

Note: Students must earn a B or higher in PHYL 141/L PHYL 142/L, MICR 130, MATH 115 and ENG 100. Students must earn a C or higher in PSY 100, PSY 240, SP 151, BIOC 141 and Multi-cultural (FG) course.

APPENDIX II

University of Hawai'i Mānoa Bachelor of Science in Nursing Based on Catalog Year: 2022-2023

UH Mānoa Nursing Admissions Requirements

- Complete the UH Mānoa NAWSON Two Step application process.
- Completion of at least 29 pre-requisite credits must be completed at the time of application, and must include two PHYL lectures and labs and FQ. MICR 130 can be completed after application submission but must be successfully completed with a grade of B or higher prior to enrollment.
- All PHYL, MICR and FQ courses must receive a B grade or higher
- Remaining pre-requisites must receive a C grade or higher
- Applicants must be currently enrolled in, or have successfully completed all remaining prerequisites by January 1st of the year the student begins the nursing program.
- Cumulative GPA of 3.0 or higher
- Test of Essential Academic Skills (TEAS):
 - Min. scores are as follows:
Overall: 78%
Reading: 83.3%
Mathematics: 86.7%
Science: 66.7%
English & Language Usage: 80%
 - Scores are valid for 3 years.

Nursing Pre-requisite Requirements

**Courses may also be used to complete General Education Requirements*

Gen Ed	Credits	Requirement/Course Title
DB	3	PHYL 141 Human Anatomy & Physiology I
DY	1	PHYL 141 L Human Anatomy & Physiology I Lab
DB	3	PHYL 142 Human Anatomy & Physiology II
DY	1	PHYL 142 L Human Anatomy & Physiology II Lab
DB	3	MICR 130 General Microbiology
FW	3	Written Communication
FQ	3	Quantitative Reasoning
FG	3	Global and Multicultural Perspectives
DS	3	PSY 100 Survey of Psychology
DS	3	HDFS 230 Human Development
DP	3	Physical Science Course (CHEM 151, 152, 161, 162 or BIOC 141, 341)
DA	3	COMG 151 Personal and Public Speech COMG 251 Principles of Effective Public Speaking

General Education Requirements

Gen Ed	Credits	Requirement/Course Title
FW	3	Written Communication
FQ	3	Symbolic Reasoning
FG	6	Global & Multi-cultural Perspectives: Complete 6 credits from two different groups (FGA, FGB or FGC)
DA, DH, DL	6	Diversification Arts, Humanities or Literature: Complete 6 credits from two different areas
DS	6	Diversification Social Sciences: Complete 6 credits from two different subject areas
DB, DP, DY	7	Diversification Natural Sciences: Complete 3 credits of Biological Science (DB), 3 credits of Physical Science (DP) and 1 credit of Lab (DY)

Nursing Requirements

Credits	Course	Course Title
3	Select One:	FSHN 185 The Science of Human Nutrition FSHN 475 Applied Human Nutrition
3	NURS 210	Health Promotion Across the Lifespan

2	NURS 211	Professionalism in Nursing
3	NURS 212	Pathophysiology
3	NURS 213	Pharmacology for Nursing
3	NURS 220	Health and Illness I
6	NURS 220L	Health and Illness I Lab
3	NURS 321	Women, Newborn, and Family Health
3	NURS 321L	Women, Newborn, and Family Health Lab
2	NURS 322	Child and Family Health
3	NURS 322L	Child and Family Health Lab
3	NURS 360	Health and Illness III
6	NURS 360L	Health and Illness III Lab
3	NURS 363	Introduction to Nursing Research
2	NURS 450	Community, Public, and Global Health Nursing
3	NURS 450L	Community, Public, and Global Health Nursing Lab
3	NURS 452	Cultural Aspects of Health Management in Populations Indigenous to Hawai'i, the Pacific, and Asia
3	NURS 453	Introduction to Genetics and Genomics in Nursing Practice
2	NURS 465	Psychiatric-Mental Health Nursing
3	NURS 465L	Psychiatric-Mental Health Nursing Lab
4	NURS 460	Complex Nursing and Leadership
6	NURS 460L	Complex Nursing and Leadership Lab
5	NURS 461	Advanced Pathophysiology

Focus Requirements

Oral Communication (OC), Upper Division (300-400Level)

Contemporary Ethical Issues (ETH), Upper Division (300-300 Level)

Hawaiian, Asian and Pacific Issues (HAP)

Writing Intensive Requirement

Complete 5 Writing Intensive (WI) courses, of which 3 need to be at the Upper Division (300-400 level). A minimum of two classes must come from coursework outside of Nursing.

Note: A minimum of 120 total credits must be earned of which 45 credits must be upper division. A minimum of 30 credits must be earned once students matriculate into UH Mānoa as their home campus and enter the BS in Nursing program.
