Re: Letter of Support

To Whom it May Concern,

As Principal of Nānākuli Elementary School, I am writing this letter in support for the "Established" Status for The University of Hawai'i West Oahu Elementary Teachers Education Program. With teacher "roots" on the Leeward Coast, I understand the vital importance of these programs to further our pool of educators and to impact quality student education in our community.

I will continue to support these teacher programs by affording mentoring and student teaching opportunities here at Nānākuli Elementary School and I look forward to sustaining this relationship.

You are to be commended for your efforts and we look forward to participating and contributing to the long term success of this educational endeavor.

Mahalo and Aloha,

A handwritten signature in blue ink that reads "Lisa Ann L. Higa".
