- I feel that as a student I really grew a lot this semester. I had a wonderful mentor teacher and Dr. Schwartz introduced a lot of valuable techniques for us to use in our classrooms. Dr. Schwartz has a personality that makes you feel very comfortable in making mistakes but then learning from them and

growing as a student. I honestly don't have a single negative thing to say about my professor or my mentor teacher.

- Mrs. Santos is an amazing mentor teacher. In the beginning of the semester, I thought it would be challenging because she was a resource teacher. However, I loved being able to see her teach and work in different classrooms. UHWO is extremely lucky to have Mrs. Santos as a mentor teacher.
